Time, Both Days: 9:00-3:00

Lunch Included

No experience necessary

FREE

For over 25 years, LOF Adaptive Skiers has been hosting waterski clinics for our nation's military veterans. This year, we are hosting a two-day event that will include waterskiing, wakeboarding and boat rides. All veterans are welcome to join us for a weekend on the water. Please email or call to register.

This event is supported by a grant from the United States Department of Veteran Affairs and in collaboration with Southern Connecticut State University
